

TECHNICAL SPECIFICATION SHEET

Tioga

Full Season Storage-Spanish Onion

This unique $\frac{3}{4}$ spanish type onion features the size and yield of a true Spanish with slightly earlier maturity and good storage potential. Tioga has very uniform bulbs with an attractive dark scale, and is an excellent choice to put away for late season shipping without sacrificing size. This “grower friendly” hybrid has a vigorous top and good root quality.

Variety	Relative Maturity	Bulb Shape	Grade Range	Skin Color	Storage Potential	Disease Resistance
Tioga	118 days	Globe	J-C	Dark Bronze	6 months	PR(IR)
